Dear Mom & Dad,

Thanks for your letter, Mom. It was so interesting and I enjoyed hearing about your trip. Marcie's job training horses sounded kind of good!

I'm enclosing the last grocery check. Mom, don't tear it up or I'll just write another. It seems pretty small anyway.

Heane is at school and they are going on a field trip to the Museum of American History today. She was excited. We're going on a picnic Sunday with Jim & Vickie if it is nice. Heane is going to bring a friend.

Well, I have to run out to the IRS to get some more tax forms.

Love,  
Mary
